Enter - <https://www.nextsailor.com/app/page/regatta/597>.

The primary scoring for all classes will be with "Free" NAAR (North American Assigned Ratings).

If you hold a VPP certificate that is the basis for your NAAR ratings. Boats not holding a Valid VPP certificate will be rated using the normal methods and tools used for NAAR ratings.

In addition to NAAR Ratings, we will also be scoring boats in both ORR-EZ and ORC classes. We will be using 2023 ORR-EZ certificates and all ORC certificates.

Prizes will be given out for all classes.

If you are unsure as to which class to enter. Just submit for NAAR and we will add you to any additional class.

These races and series are meant to highlight the differences in VPP ratings. It is our aim to help owners understand how wind-based ratings work.

There will be a great party at Safe Harbour Sun Road after the race. We will be giving away prizes and there will be lots of Pusser's Rum.

NOR and course to follow shortly.
