The primary scoring for all classes will be with “Free” NAAR (North American Assigned Ratings).

If you hold a Valid VPP certificate that is the basis for your NAAR ratings. Boats not holding a Valid VPP certificate will be rated using the normal methods and tools used for PHRF ratings however they are not subject to Rating Reviews which will only be done by the ORA & ORC Organizations.

Additional scoring for ORA & ORC classes may be available depending on participation.

The NAAR Scratch Sheet will be available shortly.
