Hi Pat and Keith,

The Herrington Harbour to Cambridge Race this Saturday happens to be the same day as the AYC Spring Race to Oxford, which means there will be a lot of east bound racing up the Choptank, perhaps staying the night on the Eastern Shore. For the westbound return on May 8th, TAYC has scheduled the Choptank Challenge. See attached NOR. We'll start near TAYC and end near Black Walnut Point – a course designed as a return race for westbound boats, but still close enough to home for Cambridge and Oxford boats for a relatively quick return on Mother's Day.

It would be great if we could have Cambridge, Herrington, AYC and TAYC boats all racing down the Choptank the morning of May 8th. I hope you can join us. Feel free to spread the word.

Thanks,

Ken Davis
