

Please note our marina is run by volunteers, so we do not have dock hands on staff. After the race, please enter the marina and head for any available T-head space you find on piers L, K, J or I, all on your starboard side. We can accommodate at least two boats per T-head, so please tie up accordingly. (L can hold three).

If the T-heads fill up, take any open slip you see on the L pier (the first one you pass to starboard after entering the marina). The slips facing the south shore (L3-L12) are 50-foot slips. The ones facing north toward the river (L22-L13) are 60-footers.

The restroom and Shower code is 2580*. Wifi is Cambridge Yacht Club Guest, password is GoYachting.

If you have any questions you can contact Kevin Diaz, our fleet captain, on channel 73 or by calling his cell: 202-689-5157.

Enjoy your stay.
